Portrait Of Myself

Synopsis

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. --This text refers to an out of print or unavailable edition of this title.

Package Dimensions: 8.3 x 5.6 x 1.3 inches

Shipping Weight: 1.4 pounds

Average Customer Review: 3.9 out of 5 stars 9 customer reviews

Best Sellers Rank: #1,247,111 in Books (See Top 100 in Books) #101 in [Books > Health, Fitness & Dieting > Diseases & Physical Ailments > Parkinson's Disease](#)

Customer Reviews

It's a wonderful story about a wonderful human being. Unfortunately, as an E-book, it is a complete failure. It appears to have been scanned and not edited at all, with broken paragraphs and numerous mis-spellings, making it difficult to read. The photographs are completely illegible, which is sad for a work about an important photographer. Suggest skipping the Kindle edition and purchasing the physical book. The Kindle edition is a complete failure with this one and frankly, a rip-off!

A great book to read and a great woman to get to know. A must if you are interested in photography and willing to know more about a special woman of our times.

I recently completed my senior thesis on the life and work of Margaret Bourke-White. This book was a great resource! Very informative and insightful.

Cannot review yet. Bought for a future book club selection. Got it when I was supposed to so I can rate the shipment.

If you enjoy photography and want to know more about the people who took them, this is a great read.

Fantastic book.

This biography is interesting, if a little bit tedious reading. Margaret Bourke-White was a professional long before women were common in her profession.

Margaret Bourke-White is a true American original. This book is well-written and inspiring. Not only did Bourke-White capture life through her photographs - she lived it to the fullest. This would be a great gift for any independent woman you know.
