America's Test Kitchen is well-known for its top-rated television shows with more than 4 million weekly public television viewers, bestselling cookbooks, magazines, websites, and cooking school. The highly reputable and recognizable brands of America's Test Kitchen, *Cook's Illustrated*, and *Cook's Country* are the work of over 60 passionate chefs based in Boston, Massachusetts, who put ingredients, cookware, equipment, and recipes through

objective, rigorous testing to identify the very best. Discover, learn, and expand your cooking repertoire with Julia Collin Davison, Bridget Lancaster, Jack Bishop, Dan Souza, Lisa McManus, Tucker Shaw, Bryan Roof, and our fabulous team of test cooks!

For some reason, I prefer the magazine set up rather than the book set up. However, the recipes are the same was the magazine, all very tasty that I've tried. I prefer the Cook's Country to Cook's Illustrated - it's just a little more like how my family likes to eat.

The best cookbook I think I will ever buy! Every American recipe you could ever possibly think of and SO much more! I am reading it like a novel because it also shares the history of some of the meals. I love the show too, it is so fun!Enjoy!!

All those notes I took while watching this show and recipes I downloaded just got thrown out. Love this cookbook.

I absolutely love this cookbook! It's got every recipe from every recipe through Season 9, and it has a great section on recommended kitchen gadgets and items. There are little blurbs on almost every page that share history or tips.I love Cook's Country, the tv show, and this puts it all right at my fingertips.This and the America's Test Kitchen cookbooks have slowly taken the place of my old, dog-eared, and beloved Betty Crocker cookbook. I still have the latter, but I always reach for this first.

My BFF grabbed my cookbook (which was wait-listed for months) and would not give it back until she went through each and every page. I never even got to see it first. When she finally turned it over to me, I bought her one for Christmas.

Like the original America's Test Kitchen cookbook better. Has more recipes. This is a nice book but not as many recipes.

This is a fantastic compilation of recipes, available cheaper on than if you bought it from the show. The organization of the book leaves something to be desired (as foods are organized by theme rather than food type. Weird.) so I had to use color coded tabs to find, say, all the veggie recipes. But the recipes are fantastic and my cooking got has improved!

Hi ians! This book is one of the best cook books in my library! It clearly explains all the steps with pictures and I made couple of recipes and it came out perfect. Worth to have it in your personal library, I am new to meal planing and this book is now one of my favorites.
