I Can Lick 30 Tigers Today! And Other Stories (Classic Seuss)

Synopsis

Dr. Seuss tells three rhyming tales featuring the extended family of the Cat in the Hat in *I Can Lick 30 Tigers Today! And Other Stories*. The Cat's son shows bravado in "I Can Lick 30 Tigers Today!" while his daughter gets a bit carried away imagining "The Glunk That Got Thunk." And we look back at one of the Cat's ancestors for a tale about tails in "King Looie Katz." This lesser-known collection of classic Seussian silliness will be a welcome addition to the libraries of fans of all ages!

Illus. in full color. The Cat in the Hat tells us three zany stories-in-verse about his son, his daughter, and his great-great-grandfather.

A Chunky Book® with an added surprise--a punch-out piece to play wEveryone loves Dr. Seuss! A true original, he wrote and illustrated over 50 classic children's books with total sales of more than 100 million copies. For children of all ages.

My brother had this book when we were kids in the 70's...my mother read it to us weekly. The

stories are entertaining with hidden life lessons, I had the book in my possession while raising my daughter and loved sharing the stories with her. I purchased this book for my friend who is expecting her first child, I've tried to find/buy it in the past for other friends/family members who were expecting. The last time I saw it in a bookstore about 10yrs ago and it was \$100...sadly I left it there. This version of the book is a bit smaller, the cover is not as thick...but the illustrations are just as I remember them. Quite a find I must say, my mom came over and saw it sitting on the table...she was impressed too.

What do you expect? It's Dr. Seuss

Love these for my classroom

My children loved this book to the point that we wore it out. Now I have purchased it for my grandchildren. Not only are the illustrations fun and interesting even to very young children, it teaches phonetic reading in a manner that the kids don't even know they are learning. All the stories are endearing.

Great classic for kids. The King Looie Katz story about holding up his tail is the best! Book arrived in mint condition. Very satisfied! 5 stars.

The first time I came across this story I was at a public library. I knew then I would purchase the book. Since then I have been blessed with a very energetic grandson. I definitely knew he'd love this story. I have read the story to him and to my great nieces and nephews and everyone listened enthusiastically. We Love that there isn't just one story but three stories in this book.
