love it! best book ever! fun book for children 3rd - 6th. fun to read. I'm really addicted to this book. it's about tess and Erin and horse riding camp. tess thinks he friend is changing when erin's friend Julia came also. tess gets worried when Erin spends more time with Julia then tess. Will Erin start to hang out with tess? or will they never be friends again? Read the book to find out!

it is an awesome book. it is the same as the others (fun, interesting, and relatable to others.) I don't have much to say about it because it is just like the others. um, I would recommend it if you are a 12 or 13 year old girl who is going through rough times because it is easy to relate to.

Good booking and funny and friendship between the four friends that are Julia Kim Erian and Tess to the world most important part is the bible study

Wow I want to be a cowgirl like Erin and Tess. It seems so much fun to ride horses for a week with you're best friend. This book is worth the money you payed. You can really see the pool and the stables and everything. This is a book for cowgirls.

This book shows the ups and downs in friendships and how fun nature can be! I love how this book covers Christianity to friendship.
