The Battle Of Waterloo Experience

Synopsis

After Napoleon's defeat and exile on Elba in 1814, it looked as if his extraordinary military career had come to an end. But then the Emperor escaped and made a last stand, which climaxed on June 18, 1815, when almost 200,000 Prussian, British, and French soldiers clashed at Waterloo. Published to mark the 200th anniversary, *The Battle of Waterloo Experience* is a compelling new treatment of the Hundred Days campaign, beautifully illustrated and including reproductions of contemporary letters and documents that graphically portray the background to Napoleon's final overthrow.

Customer Reviews

Peter Snow is a highly respected journalist, author, and broadcaster. He was ITN's Diplomatic and Defence Correspondent from 1966 to 1979, and presented *Newsnight* from 1980 to 1997. An indispensable part of election nights, he has also covered military matters on and off the world's battlefields for 40 years. His son Dan Snow is an historian who has researched, written, and presented several documentaries. Dan appears regularly on the BBC's *One Show* as their "History Man," and has been published in the *Times*, the *Sunday Times*, the *Guardian*, the *Daily Express*, and *BBC History Magazine*. Educated at the University of Oxford, he has joint British and Canadian citizenship. Together, Peter and Dan Snow presented the BAFTA award-winning *Battlefield Britain* and wrote the accompanying bestselling book (BBC Books).

Ordered this for my son for Christmas and he ABSOLUTELY LOVED it.. Book was very nice, came with all sorts of maps and secrete little compartments inside.. He is a history buff and just loved this.. Would highly recommend this.

Tremendous compendium of information for one of the most fascinating and important battles ever.

Outstand book. All of the enclosed maps and letters are extremely informative and contained in unique pockets within the book. If you are a fan of the Napoleonic wars this is a must own publication.

Beautifully illustrated with in many cases historic paintings. The maps were clear and vital for a good understanding of the battle. An outstanding book for anyone that wants a clear, concise and accessible description of the Battle of Waterloo.

A great volume for Napoleonic War buffs. My copy came quickly and as promised.

Enjoyed the book, interesting concept.

Nice ,but could have been better.
