How To Handle Discrimination And Prejudice (Under Pressure)

Synopsis

This title explores the difficult topics of discrimination and prejudice - issues that are often encountered by kids, but ones that they don't always know how to handle. Written in a conversational tone, the book takes a clear look at these challenges, exploring causes and effects of this type of behavior - including plenty of real-life examples - and offers appropriate advice and coping strategies that tweens and teens can put to use.

Customer Reviews

Gr 5-8-This helpful series explains some challenging issues with which modern teens and kids are often confronted. Students will appreciate the short, easily digestible paragraphs of text and the engaging layout, supplemented by captioned, color photographs and text boxes with features such as "Under Pressure Q&A," which help contextualize the topics and make them relatable. Practical tips are provided for dealing with problematic situations, and there is an emphasis on personal safety and getting help if necessary. A reassuring tone runs through this series, and readers who find themselves in these situations will come away realizing that they aren't alone. Useful and relevant books. (c) Copyright 2014.
