Survey Of The Old Testament

Synopsis

"The New Testament Scriptures will never be properly understood by a person if the Old Testament Scriptures essentially remain a mystery to him," says Paul Benware. Most Christians do not have a clear understanding of the pattern, unity, or progression of the Old Testament. They can tell stories of Moses, Noah, and David, but they aren't sure how all these events fit together. And they don't fully appreciate the doctrines found in the thirty-nine books between Genesis and Malachi. But the Old Testament does not have to be mysterious or confusing. Newly revised, Dr. Benware offers a chronological approach to give you a bird's-eye view of the Old Testament, while his book-by-book analysis reveals important details and emphases. If you want a better understanding of the whole Bible, *Survey of the Old Testament* is the place to start.

DR. PAUL BENWARE (B.A., Los Angeles Baptist College, Th.M., Dallas Theological Seminary, Th.D., Grace Theological Seminary) is currently teaching in the Bible department at Southwestern College in Pheonix, Arizona. A former faculty member of the Los Angeles Baptist College (now the Master's College) and Chicago's Moody Bible Institute, Dr. Benware has continued to be involved in several local churches, often holding pastoral or staff positions. Dr. Benware is the author of seven books including *Understanding End Times Prophecy*, *The Believer's Payday*, surveys of both the Old and New Testaments, and a newly published commentary on the Book of Daniel, as well as numerous articles published in journals and magazines. Dr. Benware lives with

his wife, Anne, in Litchfield Park, Arizona. They have four children and six grandchildren.

Great doctrinal truths are developed in the Old Testament. For example, significant revelations concerning the attributes of God are recorded. The New Testament, of course, concerns itself with the Person of God, but it is the Old Testament that gives us our basic understanding of God's majesty, power, holiness, and sovereignty. His love, goodness, and wisdom are the subjects of many psalms and numerous prophetic declarations. What can rival Isaiah 40 on the greatness of God or Psalm 23 on the loving care of God?

This was a fairly easy book to use/read. It provided a strong overview of the New Testament. I would recommend for anyone who is wanting an over of the NT or someone who needs research material for the NT.

This book gave great insight into many terms used in the Bible that are not necessarily explained there. It helps to bring together many other facts or events by its additional information.

DR. BENWARE is a gifted educator who loves God and loves people. He has done all the hard work for you and given extraordinary insight into the Holy Scriptures. I have had the pleasure of sitting in his class for 8 weeks as he taught from this text. Thank You Dr. Benware.
