# Focaccia: Compare To Liguria Bakery

## **Synopsis**

The Liguria Bakery in San Francisco arguably makes the best focaccia in the world. I've scoured the world for the best focaccia recipes and found one that tastes exactly like focaccia from Liguria Bakery. This ebook contains only a single recipe. You could probably come up with a similar recipe if you spend dozens of hours researching focaccia and the history of the Liguria Bakery and trying dozens of focaccia recipes or you could save a lot of time and effort and get the best one quickly right now. I welcome your feedback, but please comment on the quality of the recipe and the taste of the focaccia, not on the number of pages in this small, simple ebook. Thanks!

## **Customer Reviews**

Really - 6 pages for this recipe? What a waste of money! I could have found this on the internet for free.

Wow, what a great recipe! I can't wait for the next volume, hopefully it will be a great dessert, or something with sweet potatoes! Thanks Joe the Baker.!

I've tried to review this twice but my reviews have been rejected. I don't know what more I can say

than that it's only two pages long. I don't consider that to be a book, and certainly not at the price. The only recipe is for focaccia. Not recommended.
