## Customer Reviews

I use this for a reference frequently when praying for my four grandchildren. It helps me to quickly find a scripture that specifically applies. I also bought one for my daughter so we can both be on target when we are praying for our precious little ones.

I originally received this as a gift in 1995 and my copy was loaned and not returned. So I purchased a new copy because it is such a useful resource. The prayers are compiled from scripture, on a plethora of topics and allow you to insert your child's name throughout. Must have for moms and grannies!

use it everyyyyyyyy day ... speaking it over my children, grands & all future grands!!

This is a very nice tool that aids in focused prayer time for your child or grandchild. A vast array of topics to choose from and the prayers are well written and inter-twined with scripture so you can personalize.

Very good source.

This is a great resource for praying for your children. It has great ideas and form prayers that get you started and meets your needs. Love it!!

Everything was great. Would use this company again.

Content of prayer topics makes it easy to find what's needed. Each short prayer is concise, allows parents to build prayer into their busy day.
