Prague: The Best Of Prague For Short Stay Travel: (Prague Travel Guide, Czech Republic) (Short Stay Travel - City Guides Book 14)

Synopsis

PRAGUE TRAVEL GUIDED Discover the best Prague has to offer in just a few days! If you are planning to go to Prague for vacation or business, and you only have 2 or 3 days and you want to make the best of your short stay, then you have come to the right place. The focus of this book is to make your short stay one of the most memorable experiences of your life. The goal of this book is not to squeeze everything the city has to offer into 2 -3 days. The goal is to show you the best of the city in a short time. I know people like different things, but Prague is such an incredible city that even in a small area you will find a variety of things that will fascinate or interest you. If you are looking for the Encyclopedia of travel books, then don't buy this book. This book is for a short stay traveler only! We focus on the best the city has to offer. Here Is A Preview Of What You'll Learn... Understanding Modern Prague How Prague Came Into Being An Overview Of The City Transport and Safety Museums and Art Galleries Restaurants, Bars, Clubs and Nightlife Sample 3 Day Itinerary Shopping in Prague Much, much more! Customer Reviews

Prague had been on my wish list for quite some time, so I was very happy when we decided to visit. I had this book given by my friend. She used this book on her recent travel to Prague. I booked 3 full days to see Prague. This book makes it easy to plan our visit in the best possible way.

Ok guidebook. Not an incredible guide. Somewhat dry. And at times badly written. Since I am still in Prague - I was here visiting friends and really didn't have time to see too many sights - I bought this guide because it claimed to be a good "short stay" travel book. I learned some things about Prague, but perhaps even with a short visit one should really read more about the city and have more options. It also turned out that some of the sights were closed for repair so one needs to have a Plan B.

Very useful book that interacts perfectly with the map and provides reasonable three day tour suggestions. Read it first and then follow the suggested links on the map. This way you will be able to put the city on the map for yourself. Depending on where you stay in the city, you will be able to figure out the starting and ending points of your trips. If you have three days, you will need no guide with this book and could easily save money this way. The restaurants they suggest do give you an idea of the Prague food and bars and are good enough for the first time travel and examination.
