# Household Crafts And Tips: The Foxfire Americana Library (12)

## Synopsis

A collection of how-tos celebrating the domestic arts of Appalachia, *Household Crafts and Tips* includes traditional advice on soapmaking and quilting, as well as in-depth instructions for making baskets, hampers, cornhusk brooms, and hanging gourds for purple martins. Foxfire has brought the philosophy of simple living to hundreds of thousands of readers, teaching creative self-sufficiency and preserving the stories, crafts, and customs of Appalachia. Inspiring and practical, this classic series has become an American institution. In July 2016, *Vintage Shorts* celebrates Foxfire's 50th Anniversary.

## Customer Reviews

Classic folk book on my kindle is a great idea.

Interesting if dated book. Actually gleaned a few tips which I passed on to others.

This was a very enjoyable read, though I wish I had looked at the length before I purchased it, as I read the whole thing in between a couple of classes today. However, it was packed full of awesome information and cool stories about "old times". I'd give it five stars if it was longer :)

Great book

This book was not as enjoyable as most books for me to read. It is limited in its scope and could have covered more interesting subject about other housecrafts. Having lived half my life in the area I know of what I speak. It is not one of the better Foxfire books.

This book is very well written and easy to read. I love the fact that the time was taken to record this wonderful knowledge for future generations to learn. We should never lose these skills, if we do we will be much poorer for it.

I recommend all the Foxfire books to everybody who reads. I've been enjoying them ever since the first one was published, years ago. So glad they are now available in digital format.

Not very through on the subject I was looking for. Need more description of contents. I would not have purchased if I had known it did not have what I was looking for.
