Cambridge International AS And A Level Physics Workbook With CD-ROM (Cambridge International Examinations)

Synopsis

Fully revised and updated content matching the Cambridge International Examinations 9702 syllabus for first examination in 2016. The Cambridge International AS and A Level Physics Workbook with CD-ROM supports students to hone the essential skills of handling data, evaluating information and problem solving through a varied selection of relevant and engaging exercises and exam-style questions. The Workbook is endorsed by Cambridge International Examinations for Learner Support. Student-focused scaffolding is provided at relevant points and gradually reduced as the Workbook progresses, to promote confident, independent learning. Answers to all exercises and exam-style questions are provided on the CD-ROM for students to use to monitor their own understanding and track their progress through the course.
