Customer Reviews

I really enjoyed reading this book as a die-hard Bengals fan. The only downside was that I would like to have seen more from the 2 Super bowl seasons; however, there was lots of stories and information and I would recommend it for any Bengals supporter.

Expected a hard back but this was paperback. Still AWESOME and full of information. My boyfriend is a long time Bengal fan and was super stoked on this book

Great book for a bengals fan it has history of the team in it and other cool stuff. Arrived on time

Good product

I bought this Bengal book for Christmas for my son who was born into the "Cincinnati Bengal fan family"... He collects Bengal memorabilia and displays it in his home. (Yes, even though they didn't make it to the play-offs this year.) I am always looking for unique Bengal items and he absolutely loved getting this book. Thanks for having the book in stock and for your online store that makes any kind of shopping easy!
