If you are in need of a little tropical rest and relaxation may be sitting on a nice warm beach reclining in the sun while sipping on a tropical drink with a tiny paper umbrella in it. Then Barbados may be just the place for you particularly if you're with that special someone. Barbados is the perfect tropical getaway for couples with everything from adventure tourists and water sports such as kayaking and parasailing to Romantic tropical spas and everything in between. Barbados is known for its calming tropical weather and relaxed way of life with very friendly and easy-going people. American and UK tourists generally don't have to worry about a language problem, although the accent can be difficult at times difficult to understand. Other than tropical beaches and adventure sports, Barbados is also known for its world-class seafood and rum distilleries all of which can be sampled. You can visit a lot of different restaurants that serve all the local seafood specialties, which are usually caught the very morning they arrive on your plate, as well as several different rum distilleries. The most famous of which is the Mount Gay distillery, which offers tours of the facility, where visitors can learn. Just exactly how their famous rum is made as well as sample a bit of this world-famous spirit (maybe even buy a few bottles) at the end of the tour. There are also plenty of other historical attractions and museums to visit, which will fill you in on the island's rich and varied history.
