The Deborah Anointing: Embracing The Call To Be A Woman Of Wisdom And Discernment

Synopsis

The Old Testament describes Deborah as a mighty combination of judge, intercessor, prophetess, mother of Israel, and military strategist. Deborah broke outside of her culture – not out of rebellion, but in obedience to God to set her people free. As in biblical times God is calling today's women to a purpose greater than themselves. The Deborah Anointing shows you that although you may have been trapped in tradition and locked into captivity by cultural and gender prejudices, God desires for you to break through these barriers. Now is the time to embrace the fullness of your purpose! Whatever your sphere of influence at work, at home, or at church – will you accept the challenge to be a modern-day Deborah, stand for God, and boldly lead others to Him?

This book is a must read for every woman who knows they are called to make an impact in the lives

of others. Maybe you need someone to speak to that call you feel, but can't seem to apprehend it. While reading this book you will feel that the author is speaking directly to you and calling you to stand up in your call. You're not reading this comment by accident, the Spirit of God has something to show you through this book! I thought I found it accidentally, but after reading it I am certain my Father led me here to help me understand who He created me to be. LOVE! LOVE! LOVE!

Although it is a short read, it took a while for me to read because I ended up using this as a study. I like that there were so many scripture references, this made my study more effective. A must read for any woman in leadHERship!

Absolutely profound. To take Deborah's life, break it down in every aspect, and use it to inspire women everywhere was genius. She has a great understanding of women in ministry and how to encourage and inspire. Women wear many hats and this book shows us that it's ok, and that we are absolutely called. I recommend this for every woman in ministry or considering it!

Phenomenal! Insightful! Packed with wisdom! "The Deborah Anointing" is an impactful read that goes in deep to explore how the life of the "biblical Deborah" can be used for inspiration to channel your modern day, inner Deborah! This book truly blessed me and was right on time! As a woman, if you've ever had questions about your purpose in the kingdom of God or had questions about how to apply your gifts, such as the prophetic, to benefit others & more, then this is the book for you! Expect to be activated! Invest in yourself today & may the increase in blessings YOU receive; trigger, ignite, & overflow to OUR sisters to "embrace the call to be a woman of wisdom and discernment"!

EXCELLENT!!! From the "Forward" this book started speaking to my spirit and I finished reading it within about 5 days! I ended up getting both the hard copy and the kindle version. Immediately told the leader of my women's ministry about it - and shared with my other girlfriends. My hard copy is making the rounds now. Great exposition on Deborah - and helped me to understand things about myself. Highly recommend for women - and men - to learn that we not only have a place in God's plan...but a place of honor. HE has called us to take kingdom authority just as HE has called the men - and it's time we wake up to our God given callings!

I have always wanted to know more about the woman called Deborah. The short description of her

in the book of Judges has intrigued me for several reasons, but it especially catches my attention due to the subservient role of women during this time period. She achieved a leadership position few modern women hold and can still remain faithful to their role as wife and mother.

Thank you great book very powerful!

What can I say aside from the fact that this book has changed my life! Michelle is such a powerful writer and has challenged me to take my prayer life and my diligence to walk in my purpose to another level. The anointing is dripping off of every word written in this book. If you want to grow in your walk with God and become of woman of much wisdom, discernment, love, and power, this book is for you!
