## Customer Reviews

Volume 2 of a 2-book series to rock and ice climbing in Rocky Mountain National Park, Colorado. The High Peaks guide describes over 375 routes in the park's high mountains and peaks. The guide describes over 130 ice and mixed routes for the winter climber. Bernard Gillet began his climbing career at Lump Ridge at the age of 15. As a summer resident of Estes Park for the last 20 years, he has climbed extensively throughout Rocky Mountain National Park, including 17 ascents of the Diamond. He climbs in Estes Park in all seasons and has made several first ascents.

Bernard Gillett has lived and climbed in the park for most of his life. Few climber's have established as many routes in the park or his extensive knowledge of the area.

From 2001 & might be a bit outdated when a new guide comes out in late 2015. Worth the price for used at more than 60% off

Very well done
