So I really like this book because it is funny and I would recommend this book to any one who likes a good book

My grandson is having trouble with his reading, but he LOVES "Diary of a Wimpy Kid" and has gone on and on how he reads them at school, but then has to leave them there. I saw the boxed set and immediately knew what he needed. Now he reads every day and night and is helping himself without even realizing because all he's doing is having fun. A grandmother couldn't ask for more. I am thrilled with the purchase and my grandson is SO happy. Thank you so much for packaging the books together. My only wish is that the whole series would have been in the set. I will be buying him numbers six and seven soon. Thank you again.

This book seemed too young for me but my little nephews loved it. I heard it was funny and wanted to read it.

Excellent!

I'm 9 years old and my friend recommended it to me about a year and a half ago. This book is filled to the BRIM with funny stories and adventures about a total ... WIMP! I recommend this series to anyone 7 and up.

Exelent!!

AWESOME So good Love It was full of humor It was hilarious Five stars If I can I will give it six stars

My son was too excited when he received The Wimpy Kid Do-It-Yourself Book. I honestly think he read every page to me in the car, on the couch, at the dinner table..ect. He even used his nightlight to read and write in this book. I like the ideal and concept of the questions the DIY book ask the reader. The Wimpy Kid Do-It-Yourself book has encourages my son to think about his experiences and write the responses down in the book. As he grow, maybe he can reflect on his younger years and get a real belly chuckle from the memories. Young one is nine and there are questions in the book that may be a little awkward. So some question may need to be cleared up, so as a parent be prepared to come up with some creative answers.
