This was the first of Eckhards books that I purchased. Now I have 5 or 6. So that’s my warning, you are gonna love it, and you will buy more. Why? Because these prayers are effective. GOD is so good. And when you pray to Him in an effective manner He shows up. I have gifted this book to people and have recommended it to others. I prayed my way through 4 of his books with great results. When I added fasting (only a mere 36 hrs) things went to the next level. I had a demon clinging to and squeezing the life out of my heart for 8 years. While fasting I woke up in the middle of the night and prayed. Fell back asleep, woke up and started DEEP belching, I could taste bile. I had diareah 4 Times in an hour, but I wasn’t sick. After that I felt wonderful, and that vice like grip on

my heart that I felt every single moment for 8 years was gone. Its GONE! Some demons require fasting. And they do leave in various ways, sometimes though bodily secreations. Sorry if I gross anyone out, but its all true.

Desperately praying to the Lord for my 26 yr old heroine addicted son, the Lord put this book into my hands! The chapter introductions prepare your own spirit to see clearly the Christian's AUTHORITY over the powers of wickedness. You are taught what one needs to know and HOW to tap in to God's ultimate power to be set free, either for yourself or loved ones. Pastor Eckhardt reveals how demonic holds are accomplished through various avenues like generational curses, witchcraft or even bitterness and unforgiveness. Throughout the pages you are shown how to align your faith and belief with the Scriptures of God and using the name of JESUS is the ultimate power over evil! We truly do have FREEDOM from evil and demonic deliverance as Born Again Christian's; it is our gift from God! I cannot thank God and Pastor Eckhardt enough, as within only a few weeks, my son was miraculously delivered from heroine! He did not go to a detox center nor rehab! He went through the withdraw through God's help, power and mercies and the power-packed prayers in this book and the prayers of other saints. Not only did he get deliverance but his very life has been protected through the terrible withdraws. God is so good! Do you, yourself or loved ones need deliverance? Are lives and lost souls at stake? Then this is the book that will prepare you and show you HOW TO to go to war against the devil and defeat the demon spirits that align together to bring destruction to peoples lives. GET THIS BOOK and watch God and our Lord Christ Jesus use THE POWER IN HEAVEN and your faith to bring deliverance and freedom!

I have had this book for a couple of years now. This can change your life and take you from defeat to victory. Persevere and consistently declare the word of God over your life for transformation. I highly recommend this book and the author. Thanks for reading ths review.

I have used these prayers to thwart the enemy several times! They are biblical and I have seen results! I would recommend this book to anyone! It's a great compilation of bible verses put together for specific targets. I love it!!!

One of the best books for confession of faith and articulation of spiritual warfare, Blessings, generational curses, protection and more! I listen to it in the car, as well as at night going to sleep. I can't say enough about how this book has been a blessing to me and my spirit as well as my

thought-life!

I highly recommend this book. It has detailed and very specific prayers that revoke the rights and privileges of the demonic which we have sometimes unknowingly granted to the kingdom of darkness. Sin is a doorway to oppression. Repent of sin and then gain freedom by invoking your rights as a blood bought child of Jesus Christ through the powerful prayers in this book. You can do it on your own, but why not get some help with this book? Don't forget Derek Prince's Rules of Engagement to supplement and strengthen your new found freedom as a joyful child of God.

I read through the entire prayer book in four days and I experienced deliverance while reading it. I plan to read it again soon in combination with a 3 day fast. Highly recommend this book to anyone who need prayer. Don't be intimidated by the name as I was. Once I started reading I had a hard time stopping. I could pray these prayers everyday.

I was first introduced to this book during a prayer vigil at the home of a dear friend. As we were impacted by the presence of God, we each took a turn and selected a prayer to read and focus upon. AMAZING!!!!! We are using this volume on a daily basis and sharing it with other saints.
