Best Sellers Rank: #3,698 in Books (See Top 100 in Books) #2 in [Books > Teens > Education & Reference > Language Arts > Grammar](#)

Customer Reviews

This does not include answer booklet, and only the student book.

I personally love Wordly Wise and think it's a great mixed resource for vocabulary, writing, and reading comprehension reinforcement. As a teacher, I have recommended it to many parents. I know some parents HATE the design of the exercises (thus four stars), but from a teacher's perspective it's the perfect practice resource.

We really like it. Good written excerpts which provide context for the words. May a little easy for my upcoming 5th grader but she enjoys the book and does the work independently. The best vocabulary curriculum I've seen but haven't seen that many. Secular worldview

These are great books for homeschooling. The child gets a lot of opportunities in each lesson to use each vocabulary word many times so they really get the meaning of it. Like they say... Use a word three times and you own it. A great learning tool.

I bought the book for my fifth grade daughter who loves to use it. I first discovered WW 3000 last year when my daughter's fourth grade teacher used it in class, and I loved it! This year I bought level 5 myself since it's not used in class anymore. I think it's a wonderful tool for children to expand

their vocabularies!

I bought wordly wise 3000 books level 1 to 4 a few years ago. This book has improved for the bigger font and more space to write down answers, which I think they are great. I will keep on buying higher levels for sure.

Great book to read and easy to follow. enjoyed it. will buy again.

Love this program.

GOOD
