Customer Reviews

Little league needs to get with the rest of the youth baseball world. Little League is where common sense baseball rules go to rot. The age ranges for their levels is a joke and not truly offering a 54/80 as a next step between 50/70 and 60/90 is unforgivable. They are going to keep losing kids to travel baseball because of the age ranges and their lack of adoption to newer trends like 54/80.

Very easy to reference a rule or subject matter. You can do a search, anything related to that search will list, you can download this 2 devices, way better than the book.

It was helpful reference throughout this season.

Great information and arrived in time

Kindle version of the LL rule book. Formatting can be a little off particularly on tables but not bad enough to make it unusable.

Very convenient to have the rules searchable and bookmarked.

Works nicely on my phone.

Thanks for the digital version!
