The Seduction Of Peter S., The Case Of Lucy Bending, And Tales Of The Wolf: Three Thrillers In One Volume

Synopsis

Three provocative novels of adventure, sex, and sin from the New York Times bestselling author of the Edward X. Delaney Series. In *The Seduction of Peter S.*, an out-of-work actor gets picked up by an older woman, and together they hatch an outrageous scheme, recruiting New York's handsomest thespians and putting them to work in the world's oldest profession. The doyennes of the Upper East Side can have any actor they want for a price. *The Case of Lucy Bending* is an erotic thriller like no other. Among the rich and famous of Florida's gold coast, a beautiful and precocious young girl is surrounded by adults who think only of money, power, murder, and vengeance. Will a child psychiatrist be able to save Lucy Bending from the world around her? It's a deadly proposition. A hardboiled insurance investigator, Wolf Lannihan has tangled with some of the world's most dangerous femme fatales and lived to tell the tale. *Tales of the Wolf* chronicles Lannihan's bawdiest, craziest stories, and shows how he always gets his woman. These three books by legendary thriller writer Lawrence Sanders display precisely what makes his work so addictive. No one writes smarter, sexier stories than the creator of the Edward X. Delaney Series.

Customer Reviews

Good stories.

Enjoyed all three. but The Seduction of Peter S was my favorite. Sanders has written so many awesome books for sure!

I love all the Lawrence Sanders books and have been waiting for all of them to come out for the Kindle.

In the 1980's author Lawrence Sanders released some books that went away from the mystery genre in which he was popular and came out with books that were more dramatic in scope. Two of those are in this collection of three books by Sanders; The Seduction of Peter S., The Case of Lucy Bending, and Tales of the Wolf, all three of which have been out of print and until now unavailable on eBook, so having these finally, and together, is good news for Sanders fans like me. Of the trio gathered in this volume the latter is a collection of short stories and novellas featuring a lawyer investigator character and though these do not represent the authors best work they do fall well into the mystery genre to which he is associated. The two stories that lead this collection "Peter" and "Lucy" are what makes this eBook worth owning. There are similarities in their overall sweep as they deal with people. Sanders creates a world through the plot and the characters and the reader has the enjoyment of seeing what might happen if this situation were real. "Lucy" deals with a young girl who is a bit too affectionate for her age, and what to do about that. When I first picked this up in paperback years ago I did not think that I would like it, and though there are some areas that might make a prude reader squeamish I could get past those. My favorite of the three, though, still remains "The Seduction of Peter S." Peter is a struggling New York actor who is mysteriously hired to sexually satisfy a woman for an hour. After a couple of these trysts he becomes more involved. Almost Harold Robbins-like (without the graphic sex scenes) readers are presented with the rise of what begins as one man prostituting himself to wealthy classy women, to a larger operation with all of the benefits and challenges, such as payoffs, mob involvement, and more. For me, I get involved with these characters, and their background stories, as well as the short chapter "snippets" of some of the events that occur in the nature of the business that Peter partially runs. Thus, it is entertaining on many levels and kept me from putting the book down. This is one of those where I

found myself saying "okay...just one more chapter..." a lot, which is the sign of a good book. If there is a downfall, that negative's weight depends upon the individual reader. For the "Peter" and "Lucy" novels, if you need a nicely packaged and wrapped conclusion to the story, then you might be disappointed. If you are okay with getting to a point, in a book that could go further, where the author basically leaves it and invites us to step away, then, like me, you will be okay with this. In fact Sanders does a good job at picking the point to conclude because the reader can see that the die is cast, and have no doubt where the story will go. All in all, for the fun I had reading it, and for the celebration that these are finally available again, and for the excitement to know that they are collected in one volume, I heartily recommend this volume of novels by Lawrence Sanders!
