Buckskin Pimpernel: The Exploits Of Justus Sherwood, Loyalist Spy

Synopsis

At the beginning of the American Revolution, Justus Sherwood left his young family in order to serve with the King's forces, first with General Burgoyne on his disastrous invasion of New York. He was soon appointed Supervisor of Spies and Prisoner Exchanges, and from his "Loyal Blockhouse" on Lake Champlain he sent out raiding parties and spying missions to harass the rebels in New York and England.

Customer Reviews

Everything I have ever read by Mary Beacock Fryer has been great...highly recommended for anyone interested in the early history of Canada and the role of the Loyalists. She has a marvelous way of writing factually accurate history as highly readable "page turning" fiction.

Justus Sherwood is my great-great-great-great-great-great grandfather. It's a very interesting read and gives a unique perspective of the Loyalists. Check it out!
