Wicihitowin: Aboriginal Social Work In Canada

Synopsis

Wicihitowin is the first Canadian social work book written by First Nations, Inuit and Metis authors who are educators at schools of social work across Canada. The book begins by presenting foundational theoretical perspectives that develop an understanding of the history of colonization and theories of decolonization and Indigenist social work. It goes on to explore issues and aspects of social work practice with Indigenous people to assist educators, researchers, students and practitioners to create effective and respectful approaches to social work with diverse populations. Traditional Indigenous knowledge that challenges and transforms the basis of social work with Indigenous and other peoples comprises a third section of the book. Wicihitowin concludes with an eye to the future, which the authors hope will continue to promote the innovations and creativity presented in this groundbreaking work."

Book Information

Hardcover: 263 pages

Publisher: Fernwood Publishing (September 24, 2009)

Language: English

ISBN-10: 1552663175

ISBN-13: 978-1552663172

Product Dimensions: 0.5 x 6 x 8.8 inches

Shipping Weight: 11.2 ounces

Customer Reviews

This is an excellent text for anyone interested in Indigenous social work and for social workers generally. Also great for folks who aren't in social work but who want to learn more about the topic.
