What Was The March On Washington?

Synopsis

On August 28, 1963, more than 200,000 people gathered in Washington, DC, to demand equal rights for all races. It was there that Martin Luther King Jr. delivered his "I Have a Dream" speech, and it was this peaceful protest that spurred the momentous civil rights laws of the mid-1960s. With black-and-white artwork throughout and sixteen pages of photographs, the March is brought to life!

Book Information

Lexile Measure: 900L (What's this?)

Series: What Was?

Paperback: 112 pages

Publisher: Grosset & Dunlap (February 7, 2013)

Average Customer Review: 4.2 out of 5 stars 24 customer reviews

Best Sellers Rank: #39,530 in Books (See Top 100 in Books) #24 in [Books > Children's Books > Biographies > Political](#) #39 in [Books > Children's Books > Education & Reference > History > United States > 1900s](#) #63 in [Books > Children's Books > Growing Up & Facts of Life > Difficult Discussions > Prejudice & Racism](#)

Age Range: 8 - 12 years

Grade Level: 3 - 7

Customer Reviews

Kathleen Krull is well known for her innovative, award-winning nonfiction for young readers, which includes the successful Lives of... series.

Good content in a format that's interesting for kids. :)

My son is reading this book and he likes it. The book is filled with information about history which i think all 12yr old kids should know. History is apart of life, it helps to tell us where we have been and where we are now. We all need to come together and do some more work to make this place better.

I liked it

I purchased this for my school library. I had just graduated from high school when the march took place so I was truly amazed at all that happened at this historic time. My students need to read this. This is history I was aware of but didn't really know. Praise for this series and especially this book.

Just got my first three in this series, and my students have enjoyed all three. This series is similar to the Who Was/Who Is series that brings non-fiction to kids in an inviting way. Great for my fourth grade students.

I discovered this series when looking for books for a 3rd grade teacher who teaches informational text in a urban elementary school. The students loved this series, especially the girls. Very well received by the teacher and students.

Thanks

Fourth grade appropriate. It was informative for my second grader but a little challenging to read.
