Hill Of Fire (I Can Read, Book 3) (I Can Read Level 3)

Synopsis

"El Monstruo!" Every day is the same for Pablo's father. Then one afternoon the ground growls, hisses smoke, and swallows up his plow. A volcano is erupting in the middle of his cornfield!

Average Customer Review: 4.7 out of 5 stars 23 customer reviews

Best Sellers Rank: #188,155 in Books (See Top 100 in Books) #37 in [Books > Children's Books > Geography & Cultures > Explore the World > Mexico](#) #59 in [Books > Children's Books > Geography & Cultures > Explore the World > Central & South America](#) #123 in [Books > Children's Books > Education & Reference > Science Studies > Earth Sciences](#)

Age Range: 4 - 8 years

Grade Level: Kindergarten - 3

Customer Reviews

K-Gr 3 *El Monstruo* by Thomas Lewis's beginning reader (HarperCollins, 1971) is based on actual accounts of the 1943 eruption of the Paricutin volcano in Mexico. Pablo's father, a farmer, has grown bored with his daily routine. One day, shortly after the boy arrives in the field to assist his father and their ox with the plowing, the volcano begins to erupt in the middle of the cornfield. Their village becomes covered with lava and rock, and Pablo's family and the other villagers must relocate and rebuild. With the smoldering volcano called *El Monstruo*, or *The Monster*, in the distance, life continues much as before. Brian Amador's narration and Spanish intonations add authenticity to the tale and bring the setting and the characters to life. Gentle guitar strumming and subtle sound effects set the mood. Page-turn signals are optional. Listeners will be drawn into the story. *El Monstruo* by Cathie Bashaw Morton, Millbrook Central School District, NY (c) Copyright 2010. Joan Sandin is the illustrator of many books for young readers, including the "I Can Read" books Small Wolf, written by Nathaniel Benchley, Snowshoe Thompson, written by Nancy Smiler Levinson, and her own The Long Way Westward and The Long Way to a New Land. Ms. Sandin lives in Tucson, AZ.

I love this book, have for a long time. I used to read it to my class before I retired. I read it to my grandson's special needs class. They were studying Mexico. They all enjoyed this book!

Great book for a struggling reader!

This easy-to-read book is lively and realistic, with a thread of humor running through it from start to finish. When I was about ten, my mother told me the story of the Paracutin volcano in Mexico, and the idea of it stuck in my mind ever after. Now here is a book that recounts her story as literature. It should capture the attention of all children who read it.

As we were studying volcanoes in our homeschool we had already read about the "Hill of Fire" so I was delighted to find a children's book dedicated to this story and easy enough for our kids to read on their own as well as with us. Highly recommended for all family libraries.

This is my daughter's favorite "I Can Read Book." There's so much drama-- and it's based on a true story!

A favorite..Teaches about our earth at a proper level of reading.

Good book. Used it for our Homeachool unit study. Easy to read and understand

We were excited to read this book. The description of the land and how the volcano was describe in good detail.
