Bossed By The Single Dad: A Steamy Older Man Younger Woman Romance

Synopsis

"She doesn't know how beautiful she is - but I do." ~ Ian Hayes is the most gorgeous man I've ever met. He's ex-military, and he's in phenomenal shape. I've never seen anyone that fit - he's like a superhero. ~ There's no way he could ever be interested in someone like me. Sure, a few men like my curves, but most don't even give me a second glance. ~ Ian's different... but it's complicated. Because he's also my boss. And my landlord. And the single father of a wonderful little boy. It should never work, but Ian makes me believe in myself - and in us. Just when I'm starting to trust in our relationship, Ian's vindictive ex-wife shows up, threatening to take away everything that Ian and I hold dear. ~ Where's a superhero when you need one? ~ ~ **Bossed by the Single Dad is a steamy novella with no cheating and a Happily Ever After.**

Customer Reviews

Loved the promise of Ian but he wussed out with his ex wife. Also not hardly any dominance displayed. Disappointed.

Ah, Nikki and Ian are so good together. Hot and sweet! Recommend. ~~~~~

Ian ex Military, landlord, and single father. Nikki moves into his building and gets hired to work in the apartment office. She is attracted to Ian the moment she sees him and his son catches her attention before she knows who he is. Ian notices Nikki right away but she is younger than him so he tries to stay away. But when his son starts to friend her Ian is drawn to her too. But then Ian's ex wife gets in the middle and threatens Nikki. Nikki backs off because she does not want to cause trouble. This is a great story and a must read. Love this Author!

A short but enjoyable read by Mia. This story is about Ian and Nikki. Ian is a single dad, ex military and has a gorgeous physique. He's not only Nikki's boss but her landlord as well. Nikki is beautiful inside and out but is self conscious of her sexy curves. They are Immediately attracted, their chemistry intense. Slowly, Ian convinces Nikki she is gorgeous and just as their relationship starts to sizzle, his ex shows up.

Nikki has to realize that her world is bigger than her perception of it, but life can be hard for a new graduate with few, if any, strong ties to friends and family. Ian is a bit at loose ends, too...transitions are tough. But they also create a special kind of environment where connections can occur. This is a sweeter (there is steam!) novella, a bit slower-paced and less dramatic than age gap stories can often be.

This was a very enjoyable, delightful yet short read. The characters were charming except for his rude ex-wife. Why does no one ever think to communicate in these books when trouble comes knocking?! But then again we wouldn't have the "much needed" conflict in our stories... Anyways good but short, would have liked more.

I love that Ian was so sure of himself and the feelings he had for Nikki. Now Lydia gives woman a bad name. This was a cute read and I would say a level 3 on the heat scale (1 - 5). The story itself was good. Nikki helped Cole develop his social skills. And Ian helped her become confident in herself. Sweet romantic story.

This is a great short read. There is a lot to take in when dealing with dating a person that is divorced

with kids. This book has a little of it all. The back stabbing ex-wife is the best.
