Montana Summer Romance Anthology (In The Wine Cellar)

Synopsis

From the wilds of Montana, we bring you a heartwarming collection of three timeless romance short stories that remind us of what it is to fall in love. *Sweet Wine* By Danica Winters If klutzy had a name it would be Annabelle Everett. What can go wrong, will... Especially when it comes to falling in love. In this short story, you will find yourself laughing out loud as you live through a day in Annabelle's shoes... Fancy pants ones to be exact. When she meets the oh-so-sexy wine merchant, Jim Sharp, she pulls out her finest moves and almost her hip. Through laughter and just a bit of teasing, they learn that they may have far more in common than either had assumed, and no matter what kind of luck a girl has, she always has what it takes to find the man of her dreams. *Uncorked* By Clare Tallier Tina Alquist's had a hard life, and she'll be the first to admit it's mostly of her own making. She's found love at last, but her past could destroy it. Eric Anderson and Tina are living the life of his dreams, until Tina mysteriously disappears one night. Their white-picket-fence life together is shattered, and a chasm of questions opens up between them. Tina, ashamed of her past, is determined to keep her secret, but Eric knows she's hiding something, and he's equally determined to find out the truth. •and now her past threatens to sink their present. *Bubbly* By Melissa Tenley Falling in love doesn't always go according to plan. There's nothing Taylor Jones loves more than a well-executed plan, but when she and her best friend's brother, J.T. Elliott, have to coordinate a wedding in six weeks, things start to unravel. J.T. loves Taylor enough to keep it to himself so she can walk out of his life and follow her own long-established plans. But all that time together has Taylor second-guessing her choices. Now, she'll have to decide whether to follow her heart or follow her plan.

Customer Reviews

A lovely collection of short stories set in Montana. I enjoyed the Christmas edition and was excited to find a summer collection as well. A great way to spend a summer weekend reading!

These three short stories by three award-winning writers will bring summer in Montana to life for you, whether or not youÃ¢â€¢re able to experience it in person. In Sweet Wine, Danica Winters raises a toast to lovers everywhere who have found their soulmates. In Uncorked, Clare Tallier makes the case that love can conquer all, even the errors of the past. And in Bubbly, Melissa Tenley shows that even the best-laid plans can go awry when love is involved. These stories make you want to sit back, relax, and enjoy, wine optional.

Worth the wait! I loved the Montana Christmas Romances and now a summer collection to savor. These stories flow beautifully and are a great read for the summer months.

This is a great set of short stories! I thoroughly enjoyed each story set in small town Montana. Great if you want a quick read.
