The Bears' Picnic

Synopsis

The quest for picnic perfection will delight readers in this classic Beginner Book edited by Dr. Seuss. When the Berenstain Bears set out to find the perfect spot for a picnic, Father Bear says he knows just the place. But each ideal location turns out to be a complete disaster, with a train roaring past or hordes of mosquitoes. At last they find a place with no pesky crowds or noisy planes, and nary a mosquito—until it starts to rain. With The Bears' Picnic, literary legends Stan and Jan Berenstain provide a red-and-white-checked tablecloth to enhance a giggle-filled escape. Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning.

"Simple, rhyming text provides good practice for easy reading."--Kirkus.

With the forces of nature conspiring against them, Papa Bear perseveres and finds the perfect spot for the Bear family picnic.

gave this to our first great grandchild for her 1st birthday... she was thrilled

Another good one.

My daughter loves this book....and my husband and I enjoy reading it to her.What makes it doubly special is that I first read this book about two decades ago and it's still as funny and engaging as ever!

Favorite childhood book. I purchased for my children to love as well and they do!

Don't let the cover fool you. This is an ORIGINAL Berenstain Bears book, with only one kid bear, before sister came along. Old school art, too. Loved this book as a kid, now my kids can enjoy it too.

Kid favorite, nice rhymes.

One of the best classic preschool children's books. Kids love the silly things that keep happening as Papa Bear tries to find the "perfect picnic spot!" Will he ever find it? What is going to happen?

My son loves all the Berenstain Bears, and this is another great book for his collection. This story is easy to read and fun!
