Sons Of Encouragement

Synopsis

In this five-book compilation of the Sons of Encouragement series, New York Times best-selling author Francine Rivers illuminates the lives of five Biblical men who stood behind the heroes of the faith and quietly changed eternity. Aaron, Caleb, Jonathan, Amos, and Silas each faithfully sought after God in the shadows of His chosen leaders. They answered God's call to serve without recognition or fame. And they gave everything, knowing their reward might not come until the next life.

Customer Reviews

Behind the men who shaped history are the heroes who changed it forever. Aaron: The priest who stood in Moses' shadow but had the courage to cover his brother's fears. Caleb: The warrior whose words stirred men's hearts and brought God's people to the Promised Land. Jonathan: The prince whose humility led him to befriend the man who would become king in his place. Amos: The prophet who heard when God called and spoke to a nation unwilling to listen. Silas: The scribe who surrendered his wealth to record God's word, even as those around him were silenced. Each story includes a six-part Bible study, perfect for individual use or group discussion.

Francine Rivers is one of the best bible based writers ever. I learned so much about people not

quite so well known in the bible, learned more of God's word in an understandable way, and about the lives of people at that time. I would recommend all of Ms. Rivers books to everyone. There is nothing in them of the nasty stuff you find so much of in today's novels. The books are highly readable, hold your interest and are wonderful stories.

The first four books are wonderful if it's a little difficult or boring for you to read the Old Testament. I love to read these books while I'm also following along daily in my bible to the same story. The last book listed, The Scribe, is awesome if you have a hard time keeping up with the geography of the New Testament and they're all beautifully written and entertaining!

THE AUTHOR OFFERS MANY ANSWERS TO PUZZLING QUESTIONS OF BIBLICAL CHARACTERS' ACTIONS. BIBLICAL CHARACTERS SEEN AS NORMAL HUMAN BEINGS

I love all of her books, but this one is not really what I used to read. Maybe the times were the cause.

I love this book so much, I loaned it out to two friends who have enjoyed it as much as I did. Francine Rivers has a way of telling a story that is like no other author. She is gritty, and real. These men of the Bible are profiled in such a way that you feel like you really know them now, that you have a different and unique view of who they are. I love this book and it gave me a fresh perspective on these men of the Bible and what kind of life they led and how important God was to each one.

Francine Rivers does not disappoint... again. Interesting "fleshing out" of Biblical stories without compromising their Biblical accuracy.

One of my favorites - I was surprised how much God taught me about myself through these stories.

Still reading this one...really enjoying it so far!! This "possible look" into the personal lives/environment that shaped men like Caleb, Jonathan, and others who were such an encouragement to the men they worked closely with in fulfillment of God's Plan is just fascinating!! Francine uses all of the available Scriptural evidence and fleshes out the rest by using her diligent research and story-telling talents to make these men truly come to LIFE!! Read this book if you want even more insight into how God used "everyday folks" to accomplish His Wonderful Work here on

Earth!!
