Asylum 3-Book Box Set: Asylum, Sanctum, Catacomb

Synopsis

Sometimes the past is better off buried—Enter the twisted world of Madeleine Roux’s New York Times bestselling Asylum series with this bone-chilling box set containing the first three novels. In Asylum, sixteen-year-old Dan discovers that his summer-program dorm used to be a psychiatric hospital—and that it’s filled with secrets linking Dan and his new friends to the asylum’s dark past. In Sanctum, when Dan, Abby, and Jordan receive anonymous photos of an old carnival inviting them back to the asylum, they return to end the nightmare once and for all. In Catacomb, the three friends embark on a senior road trip to New Orleans, but with a mysterious group known as the Bone Artists on their trail, they will be lucky to make it out of the trip alive—Featuring found photographs from real asylums and filled with chilling mystery and page-turning suspense, the Asylum series treads the line between past and present, genius and insanity. Don’t miss Madeleine Roux’s all-new gothic horror novel, House of Furies.

Madeleine Roux is the New York Times bestselling author of the Asylum series, which has sold into eleven countries around the world and whose first book was named a Teen Indie Next List Pick. A graduate of the Beloit College writing program, Madeleine now lives in Seattle, Washington.

My daughter LOVES this book series. She is an avid reader and enjoys thrillers. She hasn't put them down.

Great story and quick reads .. read all of them in like a week and a half. Really enjoyed them.

It arrived earlier! The package was in excellent condition and the box set was in its new wrapper. Also the story is so intriguing and perfect I read the first book in a night. Excellent story!

Gift for my 16 year old son. He enjoyed the story and having a few pictures as visual references was cool. (His words)

This book is definitely a great read. I am currently toward the end of book 3 (Catacombs). I find it hard to stop reading or find a chapter to take a break. I will definitely be looking into more Madeline Roux books.

I have only made it through the first book, and not even the whole book at that. But it is so intriguing!! Once you start reading you can't put it down, a definite page turner. I hope they make this into a movie!

Great book!!! Madeleine Roux is a wonderful writer that captures your attention and doesn't let go!

Granddaughter will love reading these...
