Customer Reviews

Pete Nelson's previous books for Abrams include Treehouses of the World (2004) and New Treehouses of the World (2009). The host of the Animal Planet show Treehouse Masters, Nelson runs Nelson Treehouse and Supply (NTS) outside of Seattle. He lives in Fall City, Washington.

A good friend of mine gave sent me a Treehouses of the World calendar, years ago. They're magical, beautiful homes built up in the canopy's of trees. I've enjoyed every new calender. I only look at the current month so that next months Treehouse, remains a mystery til then! You should check out their book Treehouses of the World, it's another great gift~

I expected each of the twelve months to have a picture of a treehouse, and perhaps some text about each treehouse. It has exactly that, and it also has a second, smaller picture of each treehouse with the text. This second picture is usually an interior, but is sometimes a second exterior from a second angle, or a close-up of some particular feature. There are also small

calendars for the last four months of 2010 (all four months on one page), and a treehouse and text for that too (no second picture for this one, though). This calendar is larger than the one (a dragon calendar) I had for 2010. I had to move my nail higher up on the wall. The pictures are clear and really show off the trees and the houses in them. The only thing that could make it better is including the first two or four months of 2012, which it doesn't do. Then again, I didn't expect it to, and it has exceeded my expectations already.

What a thrill, to see the many dreams that have come true for tree house lovers. Thanks Pete Nelson!

I HAVE HAD EXCELLENT SERVICE FOR THE QUALITY TREE HOUSE CALENDARS I ORDERED FOR MYSELF AND TWO OTHERS--ALL SENT QUIKLY TO THE DIFFERENT ADDRESSES.
