D. Caroline Coile, PhD, is an award-winning writer of hundreds of articles and 34 books, including Barron's Encyclopedia of Dog Breeds and Why Do Cats Bury Their Poop? Her research interests include domestic animal behavior and physiology, and she has been interviewed on NPR's Talk of

the Nation and quoted in Newsweek and USA Today. Coile has always had animals in her life. She lives in Florida with her salukis and a Jack Russell-ish mix, all of whom conspire to ensure that she doesn't know as much about training dogs as she thinks she does.

Love this calendar! Each month have a list of Healthy Tip's on caring for your dog, by Dr. Carolina Coile. The photography is always beautiful. The quality of the calendar itself is superb. This is the 3rd year I have purchased it, and I've never been disappointed!

Great pics! Got it as a Christmas gift for my in-laws and they loved it!
