## Customer Reviews

The Sheriff of a town had been lonely deciding to post an advertisement for a Bride. A lady having to bring up her orphaned siblings and cousins after a ferry wreck killing both family's parents

decided to answer an advertisement for a Bride as she was alone now. After arriving she found that the Sheriff had taken an Orphan to care for so she changed her mind going to work instead. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me wondering what next for the characters. A great book.
