Iwundlu, The Warrior Child: Bleeding Sky (Warrior Child Series Book 1)

Synopsis

Book 1 of the Warrior Child Series Meet Iwundlu, secret son of the warrior king, Shaka, and an Ngwane princess, who grew up believing he was the son of Mthunzi, the Shadow - a formidable fighter of the warrior tribe - and an ordinary woman. Torn from the life he knows and loves and uncertain about his identity, Iwundlu is taken to the mountains where Lungile, an old friend of the Shadow, will look after him. During the arduous journey they brave fearful encounters together, which not only reveal the Shadow's incredible strength and courage, but also his human side. Looking back on his life Iwundlu realizes that the journey was not only a path to a new world, but it was also a starting point for finding his way back to the warrior tribe. Will Iwundlu, the Little Lion, move past the secrets, doubts and revelations in order to fulfil his destiny of becoming the greatest warrior since Shaka?
