Saint Lucia Sights 2012: A Travel Guide To The Main Attractions In St. Lucia, Caribbean (Mobi Sights)

Synopsis

This illustrated Travel Guide is a part of the Mobi Sights series, our concise guides that only feature the most essential information on island attractions. This guide is designed for optimal navigation on eReaders, smartphones, and other mobile electronic devices. Inside you will find a locator map and a list of top attractions linked to individual articles. Addresses, telephones, hours of operation and admissions information are included. This travel guide also features an itinerary with our suggestions for your travel route. Itineraries include links to individual attraction articles. Please search for "Travel St. Lucia" part of the Mobi Travel series, if you are interested in the complete travel guide that includes more maps and attractions with additional articles on history, cultural venues, transportation, districts, dining, accommodations, and units conversion. NEW FEATURE: The attraction articles now include links to Google Maps. On a dedicated electronic reader with a slow connection and a primitive browser, Google Maps will display the attraction on the map along with metro stations, roads, and nearby attractions. On an internet-enabled device such as the iPhone and the iPad, Google Maps will even show you the route from your current location to the attraction you want to go to. With this travel guide you can turn some eReaders into an audio guides. For example, on the Kindle, just open an article and click Shift+SYM to activate text-to-speech. Put the speaker on the back of the Kindle against your ear and enjoy your virtual travel companion. Press Spacebar to pause/resume text-to-speech. All travel guides in the Mobi Sights series are only \$0.99. Search for any title: enter mobi (short for MobileReference) and a keyword; for example: mobi Paris.

Customer Reviews

GREAT TRAVEL GUIDE FOR THE ISLAND. IT GAVE DIRECTIONS FOR PHONE GPS. INTERESTING FOR THE SELF GUIDED TOUR. WE HAVE BEEN ON THE ISLAND MANY TIMES. THIS GUIDE GAVE NEW THINGS TO SEE THAT WE DID NOT KNOW ABOUT.

first of all kindle connects to free internet in St Lucia. Though connection is GPRS. that is it much slower than 3G connection that we used to. As before I relied on Mobi guides. these guides are quite good and are more usable on Kindle than other guides. St Lucia guide is no exception. It provides good information on attractions, transportation and restaurants. One of my favourite features that I found only in Mobi guides is a link to Google map that allows me to instantly download the attraction's Google map. coming back to St Lucia attractions we climbed the Piton mountain yesterday. that was quite a hike. it took us over two hours to climb to the peak.
