interesting concept for kids to get creative

My grandson loved this book.

Very high quality create-your-own comic book. Page designs are on every page and are inviting to child creativity. Cover is sturdy. Lots of pages. Fun gift for a child who loves to draw and create stories.

My kids love these

my kid loves this

Great for kids who like to write comic strips. Provides helpful templates.

My son loved this so much that I purchased one for my nephew as well! Great for any child! The pages are thick enough that markers don't bleed through (provided the kids don't press too hard)
