Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Perfect size and paper thickness. I use this size for composing various ideas simultaneously. The extra space also allows for longer melodies to unfold. Thanks!

As a composer, this is probably my favorite size paper for composing of all the Carta sizes I've tried. Wide enough to get a decent linear idea of your piece, tall enough to fit a decent amount of parts. Definitely like the binding being at the top of the page.

Product came opened and not suitable for gift giving, which is what it was intended for. It looks used!

Just what I wanted! Though I working with Finale 2012, there is nothing quite like pencil, paper, and a piano to do the job!

Perfect!
