# Buying To Let: A Guide To Finding The Right Property, Updated For 2017 Legislation And Tax Changes For Landlords

## Synopsis

UPDATED for 2017, including new legislation, rules and tax changes that will affect landlords. It is a rather torrid time for small private residential landlords. We all knew that Labour hates us, now our so-called friends are turning on us too because we are an easy target. Aimed at first time landlords and those considering going into buy to let property, this Landlords and Letting guide to profiting from buy to let property will help you avoid some of the more common pitfalls that await you. Plus information about protecting your rent with landlord rent guarantee and legal expenses insurance and general landlord insurance. There is a simple guide at the end to legal responsibilities of being a landlord. It tells you where it's best to buy and the ideal types of property to go for. It tells you how to save a huge amount of money by letting property yourself without the help of an agent and the importance of protecting your rent with landlord rent guarantee and legal expenses insurance. There is a list of some of the many legal requirements that landlords must comply with. There is also a list of useful contacts.

## Customer Reviews

It is a pretty basic book dealing with owning rental properties in England but it is also pretty

informative and gives you tips that you might otherwise overlook.

Don't waste your time. It is not useful. You will not gain anything more than what you already know.

Mmm mmm mmm
