Jean Brown Wagoner (1896–1996) was the author of several titles including Louisa Alcott, *Girl of Old Boston*; Martha Washington, *Girl of Old Virginia*; Abigail Adams, *A Girl of Colonial Days*; Jessie Fremont, *A Girl of Capitol Hill*; and Julia Ward Howe, *Girl of Old New York*.

Kind of disappointed that the facts are not all true. Cute story overall, but for children learning about her and/or this time period it is important to stick to facts.

The author takes you on a journey through "Nabby's" life. While at first a rocky beginning, Abigail is given an opportunity to grow and develop into a young lady truly ahead of her time. This book is an inspirational story for all young ladies through the example of her life that with an adventurous spirit, the right attitude, and perseverance, each person has the ability to impact lives with whom they

come in contact day in and day out. It is a perfect read for 4th grade/beginning of 5th grade.

My daughter called and said she had found our 8 year old granddaughter reading this book at 11:00pm. She said it was just too good to put down!! We love these books and will be getting more for our grandchildren in the future.

My granddaughter really enjoys this series of historical books. She is almost 9 years old and a good reader. She has no problem reading and understanding this book. She enjoys telling me about the life of Abigail Adams.

My daughter always looks forward to getting these books. I would highly recommend them. Great for homeschoolers or anyone interested in historical fiction for their children.

This really helped my granddaughter with her report. Thanks

I read some of these books as a child and have used them as teaching tools for my homeschooled child. Now my granddaughter is enjoying them. They are fun to read and each is a history lesson in themselves

my granddaughter loved it.
