Bill O'Reilly's Legends And Lies: The Civil War

Synopsis

The newest installment in the New York Times #1 bestselling companion series to the Fox historical docudrama, Bill O'Reilly's *Legends and Lies*; *The Civil War* is a pulse-quickenin

account of the deadliest war in American history. From the birth of the Republican Party to the Confederacy's first convention, the Underground Railroad to the Emancipation Proclamation, the Battle of Gettysburg to the assassination of Abraham Lincoln, Bill O'Reilly's *Legends and Lies: The Civil War* reveals the amazing and often little known stories behind the battle lines of America's bloodiest war and debunks the myths that surround its greatest figures, including Harriet Tubman, Abraham Lincoln, General Robert E. Lee, Frederick Douglass, Stonewall Jackson, John Singleton Mosby, Ulysses S. Grant, Jefferson Davis, John Wilkes Booth, William Tecumseh Sherman, and more. An epic struggle between the past and future, the Civil War sought to fulfill the promise that "all men are created equal." It freed an enslaved race, decimated a generation of young men, ushered in a new era of brutality in war, and created modern America. Featuring archival images, eyewitness accounts, and beautiful artwork that further brings the history to life, *The Civil War* is the action-packed and ultimate follow-up to the #1 bestsellers *The Patriots* and *The Real West*.

Customer Reviews

Bill O'Reilly's success in broadcasting and publishing is unmatched. The iconic anchor of The O'Reilly Factor led the program to the status of the highest rated cable news broadcast in the nation

for sixteen consecutive years. His website BillOReilly.com is followed by millions all over the world. In addition, he has authored an astonishing 12 number one ranked non-fiction books including the historical "Killing" series. Mr. O'Reilly currently has 17 million books in print. Bill O'Reilly has been a broadcaster for 42 years. He has been awarded three Emmy's and a number of other journalism accolades. He was a national correspondent for CBS News and ABC News as well as a reporter-anchor for WCBS-TV in New York City among other high profile jobs. Mr. O'Reilly received two other Emmy nominations for the movies "Killing Kennedy" and "Killing Jesus." He holds a history degree from Marist College, a masters degree in Broadcast Journalism from Boston University, and another masters degree from Harvard's John F. Kennedy School of Government. Bill O'Reilly lives on Long Island where he was raised. His philanthropic enterprises have raised tens of millions for people in need and wounded American veterans. David Fisher is the author of more than twenty New York Times bestsellers. His work has also appeared in most major magazines and many newspapers. He lives in New York with his wife and two sons.

Very good and in fact fascinating in many areas. I started to dislike the book because BO'R made a hero of John Brown who I and many others consider a homicidal maniac and serial murderer. But the book continues and develops an interesting look at the development of the war and it's leaders.

Disappointed in this book. Not what I have seen in the past book, At times written at a very elementary level and some inaccuracies in the history itself. Still worth the read but for those not familiar with our history they will be misinformed at times.

I really enjoy history, especially the history of the Civil War. Bill O'Reilly does a great job of bringing out little known facts about not just the famous names associated with the war, but lesser participants in the actions taken during the war.

A very good book with a lot of detail most don't know about the generals, president and others pivotal in the Civil War. People could stand to learn about this tragic war that tore our country apart. The war was not all about slavery as some believe.

Learned more about the War then ever before . Showed the lack of todays communication modern led to terrible results and useless death . Still maybe as well written as possible it was hard to string it all together .

Moreso today than ever, Americans need to read this book....to get the real story of this conflict.O'Reilly has continued his series of history-based books, doing an excellent job, as usual.

Well researched and thought provoking from start to finish. Brings the devastating toll of this war to life. A great read for anyone who wants to understand this gruesome period of American history better.

Great book on Civil War.. this series gas been excellent.. and this one was no exception...Mr. O'Reilly has a knack for seeing events in the future.. witness fight over monuments now going on!
