The Nisargadatta Gita was first released on the internet in February 2008; since then it has been acclaimed worldwide as one of the best expositions of the teachings of Sri Nisargadatta Maharaj, and used as a meditation manual by many. The essence of the teaching has been expressed in a very clear and lucid style. The Nisargadatta Gita Gita has only one chapter ‘I AM’, which consists of 231 condensed quotes of Sri Nisargadatta Maharaj along with a short commentary on each quote. These quotes have been prepared from a collection of 572 ‘I AM’ quotes compiled from 10 main books (Beginning with ‘I Am That’) which cover almost all the recorded dialogues of Sri Nisargadatta Maharaj. This third edition is the first official printed version and has an appendix titled I Am That - A Realization, which is a tribute to the Guru by his disciple.

The companion, seemingly, to I Am That. It seems, and I feel is, his autobiography, the story, as far as words can describe, of his journey back to let let me name, foolishly as a concept, Parabrahman I shall never if possible, be without the spirit of this recollection!

Love his teachings. He's so lucid, and explains things so well. And has plenty of useful aphorisms. He seems to know the terrain and what aspirants go through, their questions and challenges and helps avoid the pitfalls

enjoyed reading.
Great pointers! Recommend to anyone seeking guidance on their path.

Great Nisargadatta's aphoristic-like book.

Wonderful companion to Nisargadatta's 'I am That'. For those whom are earnest in the quest for the truth of their being.

This is just OK. Not my favorite book about Sri Nisargadatta Maharaj.
