Customer Reviews

Hilarious and very relatable if you work in the field

Very familiar...thought many of them myself. I really appreciated the humor

I bought this for my daughter in law who is a nurse and stationed in Afghanistan. She loves this.

My sister.loved it!

the recent nursing graduate I'd hoped to give this to has a great sense of humor but the supposed-"funny" comments in each page were for the most part trashy and not funny. "Donating" this to the recycle bin!

OK

If you are a nurse, no matter what type ER to OB to Oncology to LTC.. you'll get a kick out of these. Absolutely hilarious and a perfect gift for a fellow nurse... or of course, yourself.

very disappointed. very little differences in the pages except the written nursing issues. coloring opportunities are redundant, same on most pages.
