Good Will Hunting: A Screenplay

Synopsis

As director Gus Van Sant observes in the introduction to Matt Damon's and Ben Affleck's screenplay *Good Will Hunting*, the two young actors somewhat resemble the characters they play in the film: they're best friends, and Affleck (who plays Chuckie) habitually chauffeurs Damon (Will), who doesn't drive. Van Sant says we can see how badly Damon drives by watching the film's last scene, in which he is actually driving the car with the camera mounted on it. But Damon and company write better than he drives; this script contains some of the boldest, best monologues since *Pulp Fiction*. Van Sant and cast member Robin Williams helped the young actors tame the tigers in their cranial tanks, trimming the script into a precision instrument. Though the stills from the film are not perfectly matched to their places in the script, this story remains as much a joy to read as it is to watch on the big screen.

perfect. It was more than I expected. Book arrived on time and in excellent condition.

Great story. This screenplay version is more of a spec script than a shooting script, which is nice.

Large script with big space print nice for the older actor.

I really like the movie. The screenplay is just, beautiful. What touches me even more than Will&Chuckie is the real-life friendship between Matt&Ben. When I read the introduction of the stories behind their screenplay, I couldn't help smiling:)

One of my favorite movies

I am extremely happy with the book it is in great condition. The book is in fabulous condition I am impressed. A must read aspiring screenwriters.

Great gift for a friend who's favorite movie was Good Will Hunting

Great plot. Loved the way the story ends and how the main actor leaves. I would recommend to anyone who likes to read.
