Customer Reviews

But I am going to right now!! I have always been a fan of the Wither, anything Ender, Guardians(although I am a bit scared of the Elder Guardians), Deleted Mobs, Mobs you can only summon with commands, and all forms of villagers. I enjoy curing zombie villagers, trading, Killing Witches(they once killed a dog I recently tamed), and watching Illagers fight and exploring their mansions. Also in 1.12 there's a new type of illager called the Illusioner. It has a bow and can make

decoys of itself and make you blind. You can only find it by putting this into the chat or command block:
/summon illusion_illager
You should write a book about it

I have been a fan of minecraft books for long, I cant be happier that the author started yet another master peice with very intense storyline.

This was my first time reading an Ender King work and I must say that it is quite impressive. The story follows Tony the evoker on his journey through the Minecraft world. It's a treat for Minecraft fans. I loved the eBook version.

Wow is the word that comes out of my mouth wen I read this amazing book. I loved it a lot. The book has a great story and pictures are very interesting. Very good book and my kid loves it too.

One of the most best Minecraft books from Ender King and it's a treat for Minecraft fans like my son. The story is about Tony the Evoker and his adventures through the Minecraft world.

This is a masterpiece from Ender king. The way he has portrayed the adventures of Tony and described his journey to become a successful Evoker is amazing. This book is a must for every Minecraft lover young and old alike.
