You Wouldn't Want To Sail On The Mayflower!: A Trip That Took Entirely Too Long

Synopsis

It is 1620, and you and your parents are about to emigrate from England and sail to the New World to avoid being persecuted for your religious beliefs. It will be a long and hazardous voyage, and not everyone will survive but you and your fellow Pilgrims will have a special place in the history of the United States. This new extended edition includes a map and a timeline, and a selection of exciting facts about the Pilgrims and their voyage.

Customer Reviews

Grade 3-6
Told in a conversational tone, the narrative draws readers into the realities of the Pilgrims arduous but monumental voyage. Students witness illnesses, storms at sea, and the unknown wilderness of the settlers new home. Sprinkled with lighthearted but important advice
Handy hint: Try to survive and raise lots of children
your ancestors will be grateful!
this book portrays the significant implications of the Pilgrims landing in America. The author also provides the necessary historical background, explaining why they left their homeland. As in previous titles, cartoon art adds humor and engages readers. A diagram of the ships layout provides perspective and small, illustrated maps are also an aid.

Fun & interesting facts that I can't find in a textbook my, my students love to read these & laugh at the pictures!

Great

Used this book with my 3rd graders. The children love the way it is laid out and how the information is presented.

A fun read for the students to learn about the "fun" facts of this point in history.

What fun to learn about the Mayflower and the hard times they went through.

This was easy to read yet had so much information

My students enjoy this book.

Excellent condition. This is a great book to use in the classroom. My students really enjoyed it while teaching Early American History.
