I Love You All The Same

Synopsis

Three adorable bear cubs learn that even though they are very different, Mama and Papa love them all the same! This humorous, rhyming story features three bear siblings who are very different: they don't look the same or sound the same or eat the same. Brown Bear only wants honey; Polar Bear craves fish; and little Panda Bear snacks only on bamboo shoots. When playing hide-and-seek in the snow, Polar Bear always wins. And little Polar and Panda are always bored while Brown Bear is hibernating. How could they get along in a family when they are so, so different? With gentleness and love, Mama Bear and Papa Bear assure their cubs that even though they are different, they are loved the same, and God put them in the same family for a purpose. Darling illustrations by Alison Edgson (An Easter Prayer, 2012) add even more sweetness to this comforting message. The book is also a great resource for adoptive families who want to assure their children that whether biological or adopted, each of them is incredibly loved.

Features & Benefits:

- A perfect way for parents to tell their children how much they love each of them
- Great purchase for parents and grandparents looking for ways to show siblings how they are each special and unique
- Good resource to prepare big brothers and sisters for new members (and personalities!) coming into the family
- Adorable art from Alison Edgson makes this a great purchase for a baby shower, a gift for a new mom, or anytime
- A great resource for adoptive families
- Padded Board Book

Customer Reviews

Donna Keith, a former English teacher, began writing stories for her grandchildren after the birth of her fourth grandchild. Her daughter Audrey's interracial family served as the inspiration for *I Love You All the Same*. Donna and her husband, Lee, live in Kansas City, Missouri. Award-winning illustrator Alison Edgson was born in Northern Ireland and now lives with her husband in an old chapel in Wales.

Such a sweet book! It focuses on children being different, but being loved "all the same". My daughters have been experiencing some sibling rivalry lately, and this book has truly come in handy. I can definitely see how it would also be great for families with foster or adopted children, or children with special needs. The illustrations are simply darling, and the rhyming text makes it extra fun to read aloud. Don't hesitate in buying this book... it is wonderful!

I love this book so much. It had nice flowing sentences that rhymed. There were bible quotes at the bottom and I just loved that! Another thing I loved was that the book didn't just have one sentence on each page. I love books that have some content in them. It also was educational. It described each bear's foods, talents, and so much more. I want to buy more of her books. I love this book. I said it a lot but this is my favorite book i've bought so far. The illustrations are also so pretty! My son loves when I point at ea

I got this book for my son when I was pregnant with his stepsister. I wanted something as a "subliminal message" that no matter what, I loved him just as much as his sister. He adores this book and begs me to read it every night before bed. If you are in my situation or similar, a blended family, this book is a must have

What a sweet book with the cutest animation ever! I love that this book speaks about adoption and the differences in abilities of the bears. Great gift for someone adopting. Be aware it does mention God (briefly).

My 2 year old son was adopted into our family at birth and just loves this book. We read it together all the time. The story is cute and well written!

Cute book about adoption and how the 3 baby bears are all different (2 boys and a girl). Even my natural born children like the story. Reinforces that while you are all unique, nobody is more special than the other but that all are loved...the same!

This book could not be more perfect for our 2.5YO fraternal triplets, as they are each very different from each other. They each have "claimed" their own bear in the story & it is so important for them to hear both mommy & daddy say, "no matter what your differences, we love you all the same!" We will be reading this to them for many, many years to come!

This book, along with the follow-up books, I Love You Just Because and I Love You Even When, are gems in our kids' library. Such sweet words with deep truths, matched with precious illustrations, these are a must have for teaching your children about unconditional love.
