Product Dimensions: 9.5 x 9.2 x 1.7 inches

Shipping Weight: 2.3 pounds

Average Customer Review: 4.6 out of 5 stars 33 customer reviews

Best Sellers Rank: #1,067,610 in Books (See Top 100 in Books) #10 in [Books > Travel > United States > Georgia > General](#) #520 in [Books > Literature & Fiction > Mythology & Folk Tales > Mythology](#) #1268 in [Books > Travel > United States > South > South Atlantic](#)

## Customer Reviews

Georgia, Travel, Legends,

The kids in my 8th grade classroom like to look through this book. If it gets their attention, then is is good.

Not to brag, but I was born & raised in the state that first started the "Weird" franchise. I used to love the Weird NJ magazine. So I was happy to see a book of weird stuff in the state I live in currently. I do love visiting the weird and strange, also reading stories about the subject. Good book to find those places.

Good book, purchased as a gift.

I have several of these books of the different states I have lived in over the past years and it makes an excellent gift. I use it as a table book in our game room and when people visit the book is always perused. We have used the book for ideas for short weekend trips around the state or to have a pit stop to a final destination. I highly recommend it.

Lot's of interesting stuff.

I loved this book when my brother brought it home when it first came out. We've grown up and don't live together anymore (#adulthood) and he \*selfishly\* took his own book with him. This one came quickly and was in great condition! I was very happy to have it and it's gotten a good bit of use.

Pricey but I have the books for the places I've lived already and I wanted this one...so supply and demand.

I had bought the Weird Indiana book a few years back and I loved it! It was full of lots of oddities about Indiana. I assumed Weird Georgia would be very similar- unfortunately it was a disappointment. Most of the stories inside are about paranormal, aliens, and that's about it. I was hoping for world records, funny lawn ornaments, etc. If I wanted Haunted GA or Outterspace GA I would have bought a different book.
