Customer Reviews

I choose this rating because it was a cliff hanger. I didn't like that it said Curt's mom and dad's name 1 time

This book is terrible. There are so many other good books out there. Don't waste your time with this one. It's incredibly unrealistic. Stupid. Stupid. Stupid. Characters say stupid things. And act in stupid ways. I like baseball. I hate this book. I think the author wrote it in an hour. I can't believe this was published.
