EXTREME DECISIONS A SECRET THAT SHOULD NEVER HAVE BEEN REVEALED A dark reality lies hidden under our very eyes. Since their creation, the MáfÁ sala have enforced the destiny of humankind on Earth through the Subterraneans, Angels condemned to carry the weight of death on their shoulders in order to please fate. Evan, a Subterranean, has denied his own nature in order to protect Gemma, the girl he was sent to kill and with whom he has fallen hopelessly in love. But what are the consequences of cheating Death? Five months have gone by since her last encounter with Death, and in spite of having experienced the most intense period of happiness in her life at Evan's side, Gemma's instinct reminds her that the game is far from over. Evan, overconfident, lets his guard down, revealing an unmentionable secret--an error that can be paid for only with blood. Death returns to claim Gemma, sending its faithful servants to kill her. Desperate, Evan will do anything to save her, but the menace will seek

them out even where they feel safest . . . The challenge between passion and death will pit the protagonists against each other. In the face of jealousy, betrayal, and emotional devastation, Evan and Gemma find it isn't easy to escape their fate. Fans of Veronica Roth, Stephenie Meyer, Cassandra Clare, and Lauren Kate will love this series by Elisa S. Amore. Scroll up & click the buy button now to find out...

Customer Reviews

The purpose of this book seems to be to develop the characters of the series more deeply and to lay the groundwork for the reveal of Gemma's role in the immortal world in a future book. At times, this really drags. The ending is heartbreaking, but there are two more books in the series, so it's obviously not over yet. Honestly, the best part of this book is the development of the relationship between Genevra and Gemma. Otherwise, I didn't find this book to be as satisfying as the first. The role--setting up the reader for the next two books--is necessary, but I think it could have been done more succinctly.

The second book in the series was similar to the first. There are a few twists though. As with the first book, there were many sections that were very monotonous. The scene in heaven was beautifully written but way too long. It felt like half the book was about things that had no bearing on the plot and were written purely to fill the pages. Evans internal monologues are way too long and also monotonous just like the first book. There were a few parts of the book that were a little predictable. I am not a fan of cliffhanger endings , but they are effective at getting you to buy the next book.

I'm loving this series but I didn't get as into this like the first one. At first I thought this book was kind of dragging. Some of the moments between Gemma and Evan seemed to go on forever and just wanted them to end and get back to the action. About 2/3 of the way through it really picked up. Then BAM it ended on a huge cliffhanger. I must start the next book right now!

I am completely enamored with this series. At times, the author's endless descriptions can be a bit cumbersome to the story and slows the story down. However, I also understand she is trying to make a point. Regardless though, this book is full of suspense and love. The ending! Can't wait for the final book! Really intrigued and excited to find out how this ends!

Unfaithful was so damn good, and sooo heart breakingly sad. I cried so hard, and all I could think was OMG and WTF.. I'm on pins and needles right now waiting for the next book.. This series is so damn good, I mean I truly love the story line, the characters and how you think you know what's gonna happen then you are like oh sh*t I didn't see that coming.. Buy the series I promise you won't be sorry..

This is a beautiful love story. There's the bond of family, magic, war, humor and a love that's stronger than any imaginable power. The ending broke my heart so I'm waiting for the 3rd book in hopes of a loophole that will save the family, the love, and with it bring new hopes, strength & happiness. I definitely need to have Evan again. I also keep wondering if there is something super special about Gemma that has yet to be reveal to us. Anxiously waiting for book 3.

I just finished Unfaithful in only a few days because I was so enthralled I could not put it down! I was so emersed in Evan and Gemma's world that as the book neared it's end I was gripped with a sense of anxiousness on how it would end. As I read the last words my first thought was Nooooooooooooo!! I

cannot wait till the next one comes out! This is such a fantastic book! Such passion, excitement and torment...I absolutely could not put it down. The worst part is having to wait!!!!!! I'm definitely an avid fan! I love how this is written and how the story unfolds and sucks you in.

This series is one of the best that I have read for quite some time. I'm very anxious for the third book to come out I am even going to reread the series. The characters in this book is magical the story is beyond words !
