Simplified Diet Manual

Synopsis

Hospitals and long-term care facilities in every state and many foreign countries use the Simplified Diet Manual to assist them in planning nutritious, appealing, and cost-effective meals that are modified to meet the dietary requirements of individuals with special health needs. While reflecting the dynamic nature of the field of nutrition, the Tenth Edition of the Simplified Diet Manual retains its basic purpose: providing easy-to-understand, fundamental nutrition guidelines for normal and therapeutic diets. The concise, user-friendly format of this useful resource helps dietitians and foodservice managers succeed in their vital role in maintaining nutritional health and well-being of clients in long-term care facilities, hospitals, and outpatient service centers. Changes to the Tenth Edition of the Simplified Diet Manual are many and include: Revision of the Guidelines for Diet Planning based on Dietary Guidelines for Americans 2005 and USDA's MyPyramid Update on Meeting Nutritional Needs of Older People, referencing the American Dietetic Association's position: Liberalization of the Diet Prescription for Older Adults Inclusion of National Dysphagia Diet tables (© 2002, American Dietetic Association) Addition of the Bariatric/Gastric Bypass Diet Addition of the Modified Renal Diet Addition of Food Allergies and Intolerances Revision of Exchange Lists for Meal Planning (© 2003, American Dietetic Association) Inclusion of study guide questions at the end of each chapter for training foodservice employees in health care facilities that are served by a registered dietitian or dietary consultant.

We had order Simplified Diet 10th Edition, The State of Iowa requires us to have one . We received it in a very timely manner. We didn't open it until last week to find out it was the 6th edition. I realise we should of inspected the book when we received it. My dietary supervisor makes out our menu's a month ahead so we didn't need it until the end of October. Last week she order the 10th edition which should arrive Nov. 2-3. Rosebush Gardens Assisted Living Mary Michelle Van Dolah Administer
